When You Arrive In the USA

Sponsor Check In

US government regulations for the Summer Work Travel Program mandate that students must check-in with their sponsor within 3 days of arrival in the USA. Failure to check-in within 3 days will result in Program Termination. Termination means student's status in SEVIS will be inactive, students cannot legally work in the USA, will not have medical insurance, and will need to return home immediately, and will have difficulty obtaining any type of US visa in the future.

Queensbury Social Security Office
17 Cronin Road
Queensbury, NY 12804
Local Number 1-877-405-4875
National Toll-Free 1-800-772-1213

Office Hours:

Monday, Tuesday, Thursday, and Friday:
9:00am-4:00pm

Wednesday: 9:00am-12:00pm

Saturday and Sunday: Closed.

It is important that you check in with your sponsor prior to visiting the Social Security Office. Wait 7-10 days after SEVIS check in before going to the Social Security office. If you do not validate yourself in SEVIS within 72 hours after your arrival in the USA, you will have a delay in receiving your Social Security number. Your employer must have your

Social Security number to report your earnings to the Internal Revenue Service. (IRS).

Your employer may help coordinate transportation to and from the Social Security Office. Please check with your employer.

When Applying for your Social Security Number, you must bring the following:

- Your passport with J-1 Visa
- DS-2019
- Sponsor Letter
- SS-5 Application Form (pg. 5)

*Complete the application before your appointment. You will need your housing address in the U.S. This is where your social security card will be mailed.

After applying, you will receive a letter from Social Security. Give a copy of this letter to your employer so you can begin working before your card arrives in the mail.

Contact your sponsor immediately if you have trouble receiving earned wages while waiting for your social security card.

Do I have to apply for a Social Security card?

Yes. All participants must apply for a Social Security Number in order to work, open a bank account, or file a tax return. (*participants are eligible to begin work with their receipt of application from the Social Security office).

If I already have a social security number, do I need to apply for another one?

No. If you already have a Social Security Number, you do not need to apply for a new one. If you do not have your physical Social Security card, or if you do not remember your number, you may visit the Social Security Administration office to replace your card for free.

When should I apply?

It is recommended by the Social Security office that you wait approximately 10 days after your arrival to the US and after notifying your sponsor of your arrival before applying for a Social Security Number.

When will I receive my social security card in the mail?

It may take 4-6 weeks to receive your Social Security card in the mail. It is very important that the address listed on your application is accurate.

How do I start work while waiting for my social security number?

After applying for a Social Security Number, the Social Security office will issue a receipt. This is an important document which you can give to your employer to show that you have applied for a Social Security Number and are eligible to begin work. This receipt can also be shown if you are asked for a Social Security Number when you open a bank account.

Housing

Please check our website or Facebook page for housing locations.

You must have secured housing before you arrive!

Important questions to ask:

- * How much is rent? When is it due?
- * Is there a security deposit and what are the rules?
- * Is there a kitchen, BBQ grill or microwave for cooking?
- * Are hot plates allowed?
- * What is included in your rent? Internet? Sheets? Towels?
- * How far is housing from your employer, grocery store, bank?
- * How many students will share your room?
- * Ask for pictures of your housing.

*** ALWAYS GET A RECEIPT FOR MONEY PAID**

You will be sharing housing with students from all over the world. This is a great chance to learn about other cultures!

Let your landlord know your arrival date and time. Ask if someone will meet you at the Lake George bus stop or housing location. Not all landlords live where you are staying and they may not be expecting you if you arrive late at night.

Security Deposit

Most landlords require a security deposit to be paid upon check in. Deposits are common to protect your landlord against damage, unpaid rents or any other violation of your rental agreement. Your rental agreement should clearly state the amount and conditions for having your deposit returned at the end of your stay.

Paying Rent

Always pay your rent on time! Failure to pay or consistent late payments may result in eviction from your rental unit. Always get a receipt for rent paid!

Moving Out

Give your landlord proper notice before you depart. Your landlord may require a room inspection prior to your departure. At this time security deposits are discussed and your room keys are given back to landlord. Rooms should be clean. All personal belongings including food, clothing and garbage should be removed from your rental. Your room should be in the same condition at move out as it was when you moved in.

Complaints and Concerns

Always contact your Visa Sponsor if you have any housing issues. Contact us via email or see us in person at the Lake George Visitor Center. We will keep your complaint confidential!

Bedrooms

Each bedroom must have a minimum of 70 square feet (6.5 sq m) for 1 occupant, 100 square feet (9.3 sq m) for 2 occupants and an additional 50 square feet (4.6 sq m) for each additional occupant. If you have a bedroom with 4 occupants there must be a minimum of 200 square feet (18.6 sq m).

Living rooms, dining room and other such areas cannot be used as bedrooms.

Smoke Alarms

Smoke alarms must be installed on each living level of the structure and in the hallway outside of the sleeping rooms. They are required to be properly maintained and operational at all times.

***NEVER REMOVE DETECTORS OR
BATTERIES FROM DETECTORS!***

Wages and Compensation

Most employers issue pay checks weekly, some bi-weekly. This information should be disclosed when you fill out new-hire paper work. Deposit your pay check as soon as possible. Do not wait until you have several checks to deposit. If your employer offers direct deposit of your pay check into your checking or savings account, this is the safest and quickest way to receive your money.

Always review your paycheck! Remember that you do not pay Social Security and Medicare taxes. If there are any errors with amount paid, number of hours worked or taxes deducted please speak with your employer.

Minimum Wage

Employers in the U.S. are required by law to pay a minimum wage. This amount varies from state to state. In New York State (outside of New York City) the current minimum wage as of January 1, 2019 is \$11.10. Some positions earning tips may be less than the minimum wage.

Overtime

In New York State employers must pay employees time and one-half overtime pay for all hours worked in excess of 40 in a work week, with some exemptions. Ask your employer for company overtime policies or refer to your employer hand book.

For more information on wages go to:

<https://www.labor.ny.gov>

Taxes

Employers will deduct government taxes from your paychecks. This is called "withholding," and approximately 10-15% of your salary will be withheld for federal income tax. Each paycheck will show the exact amount that has been deducted. A portion of this money may be refunded to you at the end of the year when you file your tax return.

As a foreign student working on a J-1 Visa, you are required to pay some but not all of the taxes which U.S. citizens pay.

You do pay:

- Federal Income Tax
- State Income Tax
- Local or City Income Tax

You do not pay:

- Social Security & Medicare Tax (FICA)
- Federal Unemployment Tax (FUTA)

You must pay U.S. income tax. Failure to pay taxes may mean you will not be allowed to return to the U.S. Please make sure that taxes are being withheld from your paycheck. If you or your employer have questions regarding your tax status, please contact your sponsor.

Second Jobs

Remember that your first job is your primary responsibility. You should make sure that you are always available for your shifts. Before you start working at a second job you must contact your sponsor. They will have to vet and approve the job, a process that may take several days.

Job Postings

Here are some helpful links to find a second job.

Drugs, Alcohol and Smoking

Drugs

Illegal possession of controlled substances (drugs) in the U.S. is subject to prosecution by law. The penalties for drug possession vary from state to state. Any type of illegal drug use while in the U.S. may have serious consequences. You may have to pay fines or go to jail if you are caught with drugs or people who have drugs, including prescription medications not prescribed to you.

Driving While Intoxicated (DWI) or Driving Under the Influence (DUI)

Do NOT drive a car if you have been drinking alcohol, and do not get into a car if the driver has been drinking. Not only is your safety in danger, but DWI/DUI laws are very strict. You might have to pay up to \$10,000 or go to jail if found guilty of DWI/DUI.

Police Department

In the event of an emergency Dial 911
Non-Emergency Number:
Warren County Sherriff's Office 518-743-2500

If you are caught committing any crime, you will be arrested. Your case will go to court and if you are found guilty, you could be fined and/or sentenced to days, weeks or even longer in jail.

- Shoplifting (taking items from a store without paying) is against the law, and you will be caught and arrested if you commit this crime.
- You CAN trust the police. They are public servants and their job is to maintain law and order and to assist citizens and visitors in any difficulty. DO NOT HESITATE to ask them for help.

Medical and Safety

*INCASE OF EMERGENCIES – DIAL 911

- Keep proof of your medical insurance (travel insurance arranged by Sponsor agency) with you at all times and know the terms of your policy.
- There are medical facilities and urgent care centers around the Lake George Region. Contact your insurance company prior to visiting any medical center to get information about the coverage provided.
- You will have to pay cash or credit card at the time of your medical appointment. Keep all of your medical bills and receipts. You will need them to get reimbursed from the insurance company. Contact your Sponsor if you do not know the procedure to file a claim for reimbursement.

General Medical Care

Safety is a shared responsibility!

When you're walking:

- Obey all pedestrian traffic signals.
- At night, walk in well-lit areas, carry a flashlight, or wear something reflective to be more visible
- Cross the street where you have the best view of traffic. At bus stops, cross behind the bus or at the nearest crosswalk.
- Always walk on the sidewalk; if a sidewalk is unavailable, walk facing traffic and as far from the roadway as you can.

When you're bicycling:

- Wear a helmet. It could save your life.
- Under New York State law a bicycle operator is subject to the same traffic laws as the driver of a car. Obey all traffic signals and stop at "Stop" signs and red lights.
- Ride *in the direction* of traffic and as far to the right as practicable.
- Use front and rear lights and reflectors at night and be as visible as possible.
- Use hand signals to indicate when turning.
